

Add to your Faith

II Peter 1: 5-8

Adding is a simple form of Mathematics ,  
something most of us can figure.

You take one number & add it to another &  
you get the Sum  $1+1=2$ ,

We then begin to add numbers to the problem  
 $1+1+1+1+1+1=6$  and realize there is more to  
math than just a  $1+1$  equation

When we look at II Peter 1: 5-8, we often look at it as “Simple Math”

Take Faith and add to it Virtue & you get what?  
**Salvation?**

Take Virtue and add to Knowledge & you get what? **Salvation?** And so forth.

# Romans 6:4 KJV

After our Baptism into CHRIST we are to walk in  
newness of life

What might have been part of your old life

How is this old life changed & why?

**II Peter 1: 5** For this very reason

What reason? **Vrs 3&4**

Give all Diligence (**SPEED**) to Something –  
**BUT WHAT??**

**TO ADDING TO YOUR FAITH**

**Faith** (conviction in GOD & HIS Word both  
Spiritually & Physically)

**Virtue** (Manliness, valor, moral excellence )

**Knowledge** (Spiritual growth to GOD & Physical,  
pertaining to life)

**Temperance** (Self Control of your actions, Get a  
Grip on oneself Spiritually & Physically)

**Patience** (endurance and steadfast continuity in your life)

**Godliness** (Holiness, well-reverent in respect to GOD & others)

**Brotherly Kindness** (fraternal affection, fond of brethren)

**Charity. (LOVE)** (affection or benevolence, the kind of love God has for sinful, unworthy men)

This is not a 1 + 1 = Salvation

You **MUST** put them all together  
with all **Diligence**,

**Faith** + **Virtue** + **Knowledge** + **Temperance** +  
**Patience** + **Godliness** + **Brotherly Kindness** +  
**Charity (LOVE) = SALVATION**

**F + V + K + T + P + G + BK + C(L) =**

**Your Calling & Election (salvation) Sure !!!**

**II Peter 1: 10**

**Are you sure of your  
Salvation?**
